In light of society’s attention to responsible drinking, it is easier than ever to keep your liquor costs on budget. Today, it is not only acceptable, but expected to have guests pay for alcoholic beverages. However it is our experience, most Brides & Grooms like to treat their guests to a cocktail or two. Providing wine on the tables with dinner and a cash bar for the duration of the event is cost efficient. Offering a specialty cocktail to your guests is also a great cash-saving trick and a stylish way to start a celebration. Creating and naming your own signature cocktail to reflect your personalities adds that personal touch. Our Food & Beverage Managers would welcome the opportunity to work with you on creating something sure to wow your guests.
